DISCLAIMER Use manual PATS procedures at your own risk...
How to Bypass a PATS. Four ways to do it, from best to worst: 1.
Go to any Directed Electronics (DEI) dealer and pick up DEI's
555F. It will bypass PATS during remote start, and you don't have
to give up any of your keys. It comes with instructions. When
programming the 555F to your car, you need TWO working Ford
keys. www.directed.com...

How can I disable PATS? | Ford Mustang Forums

If the PATS system has been tampered with and cause a short in the system, you will need to replace the PATS computer and get new keys made. This is a VERY expensive process that Ford will kindly charge it's cusotmer's for.

How to Bypass a PATS

Disable PATS and replace ECU without reprogramming? For my 2002 Focus LX automatic with 80,000 miles, I replaced my ECU with a used one ($50 at eBay) to troubleshoot a tranny problem, but then I had to pay the dealer almost $300 to copy information out of my old ECU and write it into the replacement.

How to Disable Anti-Theft in Vehicles | It Still Runs

made a post month ago about the big super wallmart they have a key machine in the auto section ...you bring them one key in less than 5 minutes you will have your pats key for $50 thats right .... no 2 keys no BS ...make 2 & hide one away under the body or bumper or engine compartment there are plenty of hiding spots .... been doing for years nobody ever found my keys except me ...some black tape & small black plactic tie raps .... some people lose stuff so dont let the firby's tell you ...

How to disable PATS? - HysterSisters Hysterectomy

If you want to bypass your antitheft, you can attach one of your PATS keys inside your steering collumn by the lock cylinder. This will make the car always 'see' a key with a chip. You caqn then use a regular steel key.

Can I disable a PATs system on my 2002 Ford Ranger ...

Modular V8 (4.6L, 5.4L) - Disabling PATS - I am getting ready to put a modular from a 1997 E350 into an 82 F350, and am wondering how to disable PATS so that it can run in an older truck.

Any ideas?

Ford PATS Immobilizer - OBD2 Diagnostics Wiki

Before you disable it, you can probably fix it... We just fixed a PATS problem on my Dad's 1999 Cobra. The car was experiencing an intermittent no start condition, and when it would not start the theft light would flash quickly, and it would crank no start.

How to disable PATS - Ford Ranger Forum

How to Disable Anti-Theft on a Ford. Press the unlock button on your vehicle's key fob to deactivate the alarm. If you've misplaced your remote for the car, use the PATS programmed key to unlock the driver's side door. Then, put the key in the ignition and turn the key to the "on" position. The vehicle's battery should be on,...

Disable PATS and replace ECU without reprogramming?

The PATS system is more then capable for the every day morons. If you disable PATS a 16 year old and a screwdriver can take you car for a spin. The people smart enough to disable the PATS system dont want our cars they want fancier cars. The days of people reaching under the dash for a handful of wires to steal a car are long gone.

Is there any way to disable the PATS system? | Mustang ...

Re: How to disable PATS? No problems, i just want to be able to switch my computers out at will, and its not letting me do it. I have about 4 or 5 with diffrent programs.

How To Disable Pats On

How to disable PATS. The damage that can be done is probably more costly than a key. For remote start you would need a key with the chip in it for bypass relay. Whether you buy the relay or create one using thin wire wrapped around the key and a separate relay,

you still need a key. It sucks but its just how its made.

Will this work to bypass PATS?

Can I disable a PATs system on my 2002 Ford Ranger permanently - Answered by a verified Ford Mechanic We use cookies to give you the best possible experience on our website.
