And we wonder why people aren't better communicators. How can you be that person people love to talk to? I've posted a lot of research and expert interviews on the subject so let's round up the info and make it actionable. In this post you'll learn: How to make a good first impression. How to be a great listener.

Julian Treasure: How to speak so that people want to ...  
Speak loudly enough for everyone to hear. While you don't want to shout, you should speak loudly enough so that people don't have to ask you to repeat yourself. Speaking quietly or softly will make people think you are shy and that you don't have confidence in what you're saying -- that you don't really want to be heard anyway.
