HR:Disrupted - Dansk HR  
HR departments, and companies, need to transform their approach. This entails not simply tinkering with the HR has lost its way and needs to find a new direction. The central question this book sets out to answer is: if we are to survive and thrive in this new, volatile business world, how do we lead, manage, engage and support our employees in a radically different way?

HR Disrupted: It's time for something different - Adams ...  
It ' s the difference between spending hours deciding how many grades there should be in an employee grading system, and asking if grading people actually increases their ability to perform better in the first place. To achieve this change, Disruptive HR has three pillars: 1. Treating employees as adults not children. 2.
