What is Women Empowerment? Know its Importance
I know there's been a lot of talk around women empowerment which I haven't been very vocal about since I think it needs to be equal empowerment. Men are amazing too. We are yin and yang. We both have so much to offer each other. But I will say, I've realized there is a certain resilience women have.

The Power of Empowerment In Leadership
For a fixed channel $p(s|a)$ empowerment is the maximum mutual information over actions distributions $p(a)$. Similarly, we can consider the random variable A as describing n -step actions and S then sensor reading n time steps later, hence defining so-called n -step empowerment. To help think about what this means, consider this.
