Ice Conditions Of Contract 6th

Engineering Contract (now called NEC Engineering and Construction Contract) steadily gaining ground and recognition there was no point in continuing the publication of traditional ICE Conditions. It was suggested they were a relic of another age and after 50 years or so of use it was time for change. My own view is that not only is there room for both sets of conditions in the industry but there is need for both.

ICE Conditions of Contract - Designing Buildings Wiki

The ICE contract has been around since 1945 and is intended for use on civil engineering work. Civil engineering work is fundamentally different from building work – it involves fewer trades, but can be much bigger in scale; there is greater uncertainty in civil engineering work, particularly in ground works.

NEC Contracts | Institution of Civil Engineers

is considering using the contract should refer to the documentation itself and seek professional advice on its application. TRADITIONAL CONTRACT PROCUREMENT Traditionally the procurement of civil engineering construction projects has used one of the editions of the ICE Conditions of Contract or similar.
