Farmall

Farmall was a model name and later a brand name for tractors manufactured by the American company International Harvester (IH). The Farmall name was usually presented as McCormick-Deering Farmall and later McCormick Farmall in the evolving brand architecture of IH.. Farmalls were general-purpose tractors. Their origins were as row-crop tractors, a category that they helped establish and in ...

farmall cub implements products for sale | eBay

In 1924, International Harvester introduced a new row-crop tractor named the "Farmall". Its pioneering tricycle configuration would dominate US farms for the next 30 years. IHC used the Farmall brand for all their tractors with a row-crop front axle until the 1970s. At that point, the name was phased out before finally disappearing completely ...
