Iicrc S500 3rd Edition
IICRC S500 does not attempt to include exhaustive performance characteristics or standards for the manufacture or installation of structural components, materials and contents (personal property). The IICRC S500 Standard and Reference Guide is presented using a two-part format: the standard itself and a supplementary reference guide.

"Proud to be a Certified Technician with IICRC and a Certified Firm. When you see the words IICRC, you realize you are seeing someone who has done training and will do update training. You know they are someone you can trust to do the job you need."

ANSI/IICRC S500-2015 - Fourth Edition
The S500 has been a hallmark standard in the restoration industry since 1994. In 2006, the IICRC released its first ANSI-accredited standard with the third edition of S500. ANSI requires that all standards be reviewed and revised periodically, so in 2009, the fourth edition Consensus Body was formed.
