### **In Search Of Shakespeare**

In Search of Shakespeare may be looked upon by future generations as one of the last attempts to cling to the myth of the unlettered common man as literary genius. In spite of ferocious opposition by the academic establishment and British Tourism to even consider the question, I think the average person has serious doubts about the attribution of the Stratford man as the author of the Shakespeare canon.

### **Amazon.com: In Search of Shakespeare: Michael Wood: Movies ...**

Michael Wood's documentary, In Search of the Trojan War, is wonderful because it uses real archaeological and historical evidence to explore the realities behind a myth. If he had done something like that with Shakespeare, this could have been a much different, and much more interesting book.
