Read Online India A History John Keay

The history of what is now India stretches back thousands of years, further than that of nearly any other region on earth. Yet, observes historian John Keay, most historical work on India concentrates on the period after the arrival of Europeans, with

Read Online India A History John Keay

predictable biases, distortions, and misapprehensions. One, for example, is the tendency to locate the source of social conflict in India's many religions--to which Keay retorts, "Historically, it was Europe, not India, which consistently made ...
