Indian Herbalogy of North America by Alma R. Hutchens
About Indian Herbalogy of North America For more than twenty years this pioneering work had served as a bible for herbalists throughout the world. It is an illustrated encyclopedic guide to more than two hundred medicinal plants found in North America, with descriptions of each plant ' s appearance and uses, and directions for methods of use and dosage.

Indian Herbalogy of North America by Alma R. Hutchens ...
Indian Herbalogy of North America by Alma R. Hutchens is a helpful reference book for those desiring a greater understanding of cross-cultural applications of herbs. The title is somewhat misleading because though there is an emphasis on Native American herbalism there is also a great deal of information regarding Russian herbology and folklore.

The book, Indian Herbalogy of North America by Alma Hutchens is a plagiarism. It is a copy taken from older herbals. Most of the plagiarized material comes from two older books in particular. One of the copied books is a little known herbal from the 19th century called, The Complete Herbalist, by Dr. O. Phelps Brown. The 2nd work that was plagiarized was the more famous herbals by Maude Grieve.
