narrow down his range to the street, the cafe, the church, the brothel and the studio. On the whole, in Miller's books you are reading about people living the expatriate life, people drinking, talking, meditating, and fornicating, not about people working, marrying, and bringing up children; a pity, because he would have described the one set of

Get inside the whale — or rather, admit you are inside the whale (for you are, of course). Give yourself over to the world-process, stop fighting against it or pretending that you control it; simply accept it, endure it, record it. That seems to be the formula, that any sensitive novelist is now likely to adopt.

"Inside the Whale" is a gigantic essay which is a review of Henry Miller's Tropic of Cancer (the book is its focal point), but also spans out to discuss English literature during the crucial decades of Orwell's life: the 1920s to the 1940s. Everything busted apart then. The 19th century structures were done. It was a new world now.

Inside the Whale and Other Essays by George Orwell

He went down to Joppa, found a ship going to Tarshish, paid the fare, and went down in it to go with them to Tarshish, away from the LORD. The LORD, however, hurled a great wind upon the sea, and the storm was so great that the ship was about to break up.

Then we were sent into the dining-room, where supper was set out on the deal tables. It was the invariable spike meal, always the same, whether breakfast, dinner or supper—half a pound of bread, a bit of margarine, and a pint of so-called tea. It took us five minutes to gulp down the cheap, noxious food.

Background. Inside the Whale was published by Victor Gollancz as a book of essays on 11 March 1940. Orwell refers to it as a "book" in part three of the essay. ("While I have been writing this book another European war has broken out."), as well as in letters he wrote to Geoffrey Gorer and Humphry House, an English scholar, the following month. Gollancz initially printed 1,100 copies in March ...
