I recently read the product management classic, "Inspired" by Marty Cagan, and wanted to share my official recap, with six product-oriented takeaways for Mightyblog readers.

Six Takeaways from 'Inspired' by Marty Cagan - Mightybytes

Inspired Quotes. "Software projects can be thought of as having two distinct stages: figuring out what to build (build the right product), and building it (building the product right). The first stage is dominated by product discovery, and the second stage is all about execution." "Keep the focus on minimal product.
