1993 International 4900 Transmission Question was created by brian98redskins I know i've asked questions about this same transmission but I would like to know is whenever I shift into 1st gear while at a stand still it makes a loud bang or pop and lurches forward and the whole cab bounces around.

International 4700 manual - Fixya

Question regarding this Spicer 5spd manual trans----On the pssgr side of the tranny there is a lable saying to use SAE 50 wt oil in the tranny. Seems no one carries 50wt non detergent around here----will regular gear lube (80wt) be ok? This tranny is in an International 26' box truck with 7.3 diesel. Also, has anyone in here actually worked on one?

Transmission Fluid for DT466E? - School Bus Conversion ...

Some transmission manufacturers have developed specially formulated synthetic oils for use in manual transmissions, and transfer cases. Availability of heavy duty engine oil SAE 50 is very good, and it is inexpensive. Availability of straight mineral gear oil (GL-1) is not as good, and in some areas it may not be available at all.
