### T444E CRANKS, BUT NO START | Diesel Mechanics Forum

The first roll-back wrecker I owned was a 1997 International 4700. It had the 444 engine. It ran okay and it never let me down but if I had to do it over again I would've looked for a unit with the 466 engine. HUGE difference in power and performance. Common problems with those trucks are that the dash will stop working and the glow plugs will ...
