Interviewing: Speaking, Listening, and Learning for ...

The basic motivation for interviewing is learning something new. Each chapter features two sections: "The Basics," which describes essential skills, and "Beyond the Basics," which places them into a relevant context. Moreover, interviewing skills are clearly divided into three interrelated types: Listening, Questioning, and Framing.

Interviewing Speaking Listening And Learning

Moreover, interviewing skills are clearly divided into three interrelated types: Listening, Questioning, and Framing. To highlight the practical, real-world significance of interviewing, the authors encourage students to apply their learning actively and to connect their skills with ideas from other communication, social science, and humanities courses.

Listening and Speaking Activities

I'm supposed to get the C1 in English in 2 years, so I have to work hard and to practise all the skills, that include the listening, the writing and the speaking. I'm a bit worried about that but I really want to improve my abilities and make my best because I'm sure that one day, all the hard-work I've done, it would help me in my futre studies.
