In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

National University of Singapore: Centre for Language Studies  
The dragon language is a constructed language featured in The Elder Scrolls V: Skyrim. It was spoken by dragons and ancient Nords who learned to harness its power against their dragon masters. In the time that Skyrim takes place, the dragon language is known and spoken by a rare few, including the remaining dragons and the Greybeards who follow the Way of the Voice.

Medium of instruction

Introduction - Thuum.org - The Dragon Language Dictionary  
It takes an introduction to logic to understand this, but this statement is one that is "vacuously" or "trivially" true. A good way to think about it is: we can't find any elements in the empty set that aren't in A, so it must be that all elements in the empty set are in A. So the answer to the posed question is a resounding yes.

Foreign Language Teaching Methods: The Language Learner  
The direct method of teaching, which is sometimes called the natural method, and is often (but not exclusively) used in teaching foreign languages, refrains from using the learners' native language and uses only the target language.It was established in England around 1900 and contrasts with the grammar–translation method and other traditional approaches, as well as with C.J. Dodson's ...

Direct method (education) - Wikipedia  
If each language were invented by an ancient sage, who determined once and for all how that language worked, the authoritative approach would have great appeal. We would go to the writings of the Founding Sage of Danish, for example, and to the writings of the sage's immediate disciples, to find out the Original Intent, much as American judges refer to the Constitution.
