Introduction to Engineering Construction Inspection by Edward R. Fisk and Randy R. Rapp This unique reference offers an applied introduction to the process of observing and documenting the course and sequence of non-building construction projects (r

Introduction to Engineering Construction Inspection by ...

State transportation agencies (STAs) have traditionally performed construction engineering inspection (CEI) with agency personnel. State employees are used, in part, due to the impact of CEI consultant services on quality and long-term performance of construction. Additionally, CEI consultant services involve the management of public funds.
