Solution manual for Introductory Econometrics A Modern ...

students see, at the outset, that econometrics is linked to economic reasoning, if not economic theory. I like to familiarize students with the important data structures that empirical economists use, focusing primarily on cross-sectional and time series data sets, as these are what I cover in a first-semester course.

Introductory Econometrics: A Modern Approach 6th Edition ...

Introductory Econometrics: A Modern Approach, (4th or later edition) by Jeffery M. Wooldridge. The text in the 4th edition is nearly identical to the 5th edition, but some practice problems are missing in the old editions. The text is important, as I will follow it closely. Keep up with the readings. It is essential for success in this class.
