1 for you in three ways: Appreciation. Your fund shares increase in value — or appreciate — when securities the fund owns increase in total value. Capital gains distributions. Capital gains result when fund managers sell securities owned by the fund at a profit.

## How To Start Investing In Index Funds - Forbes

Another Way to Invest in Index Funds. Another route that many people take is to use a brokerage, like E\*TRADE or Schwab or TD Ameritrade or Ally Invest. The process for investing this way is very similar – you can sign up online, provide checking account information, and start buying. With almost all brokerages, however, each time you buy or sell you're charged some sort of transaction fee.
