**Solutions Manual for Investments 10th Edition - amazon.com**  
There are two hardcover versions of this edition available online. The other version has a slightly different cover, and is over \$100. I had to get the 10th edition of this text for my investment analysis class, and I'm so glad I found this version because it's the exact same. Though the chapters are in a different order.

investments in real assets. If General Motors, for example, could not issue stocks or bonds to the general public, it would have a far more difficult time raising capital. Contraction of the supply of financial assets would make financing more difficult, thereby increasing the cost of capital. A higher cost of capital results in less investment
