How to Reset an Ionic Breeze | Hunker

The Ionic Breeze was a portable purifier that made use of an air ionizer. Air ionizers work by giving air molecules an electric charge, which makes them attach to particles in the air. Theoretically, the intention is that this will help collect unwanted particles in the purifier's filter by making them "stick" in its collection blades.

How to Reset an Ionic Breeze. By Gryphon Adams. Most of the time an ionic breeze air purifier provides trouble-free operation. Turn the machine on, the power indicator comes on and negative ions weigh down impurities in the air, causing them to drop to the floor and leaving you with cleaner air to breathe. Occasionally, the blades require cleaning.

### What Happened to Ionic Breeze? - Air Purifier Guide

If your Ionic Breeze shows the red light that indicates it needs cleaning, you might have to take the entire unit apart to get it to work. I did that and found the two brass contacts inside the bottom of the unit were extremely dirty. Cleaned those and put everything back together and it works fine. It was a tedious job but it got the unit working.
