Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder.

How To Use The Student Record Folder - Jeppesen

This a very good book for student and line pilots as well. It keeps you informed of several procedural knowledge about commercial flights. Though I was expecting Hard cover but was supplied a paperback and due to my distance and returned delivery cost, I will hold on to the book as it is. But it is a must have for all pilots.
