Jinma 224 injector pump ANY IDEAS? - YouTube

Time the new pump like a old 673 inline Mack, pull #1 line,  
set engine on timing mark, rotate pump body toward the  
engine or away from engine depending on what it needs until  
fuel seeps into #1 hole on the pump, you must be pumping  
the hand primer pump while rotating the injector pump body  
to generate fuel to that point or it won't show up in #1 hole.
