I highly recommend John Thompson as a method. There are a lot of piano teachers that ultimately recommend the piano series they were taught with as a child, and, well, I guess I'm no exception. However, when I first started teaching piano lessons, I told the parents that I would use whichever method they wanted to use, it didn't matter to me.

This method has been around for a while, and while the pictures may seem a little out of date, they are attractive enough to be appealing to students. There is a correlation between the pictures, words, and title of every piece even though there is not a recurring theme in the pictures throughout the book.
