Play = Learning - Hardcover - Dorothy G. Singer; Roberta ...

When children play they are learning. Children who engage in play and playful learning do better in academic subjects than do their peers who play less. The work cementing this relationship, however, is just beginning to emerge and, at this point, relationships between play and learning are largely based on correlational evidence.

Play with Learning

Helping your Child Learn How to Join in Play. As a parent, teacher or early childhood professional, you can help your child learn how to join in play using the following ideas. Talk about it.
