### Just Babies: The Origins of Good and Evil - Paul Bloom ...

In Just Babies, Paul Bloom argues that humans are in fact hardwired with a sense of morality. Drawing upon years of original research at Yale, he shows that babies and toddlers can judge the goodness and badness of others' actions; that they act to soothe those in distress; and that they feel guilt, shame, pride, and righteous anger.

### Just Babies: The Origins of Good and Evil

Many of us take for granted that babies are born selfish and that it is the role of society—and especially parents—to transform them from little sociopaths into civilized beings. In Just Babies, Paul Bloom argues that humans are in fact hardwired with a sense of morality.
