Parents are hard-pressed to find an activity that holds the entire family's attention and encourages team work, but Klutz's The Hand Book (\$20) had my kids mesmerized for a couple of hours.

Klutz The Hand Book

I have bought the Klutz Guide to the Galaxy and decided I would like to look at other Klutz science books. I was looking at the Bristlebots book and the Hand Book. I had ordered them both. The information in the book was interesting, and it wasn't all about bones even though the model that is included is made of bones.
