of describing what life is like where everyone goes to college, where fewer can afford to have kids, and where the future is old. The book also offers a cogent analysis of how South Korea transitioned to one of the poorest countries on earth to one of the wealthiest and the impact of rapid economic development on culture and society.

Tudor] -- [Long overshadowed by Japan and China, South Korea is a small country that happens to be one of the great national success stories of the postwar period.

South Korea: One of the World's Great Success Stories ...

Fifty years ago, South Korea was a poor, war-torn country that pitched unhappily from dictatorship to democracy and back again. It was doubtful to most that South Korea would even survive as a sovereign state. Yet, it has not only survived, it has become a model for stability, democracy, and prosperity to
