Jacques Lacan - Wikipedia
The first part of Lacan and the Political offers a straightforward and systematic assessment of the importance of Lacan's categories and theoretical constructions for concrete political analysis. The second half of the book applies Lacanian theory to specific examples of widely discussed political issues, such as Green ideology, the question of democracy and the hegemony of advertising in ...

Jacques Lacan: Conservative Icon? - Law & Liberty
Or he could have been promoting a view that the only positive political path was an uncomfortable one rife with disagreement, conflict, and debate–pro-Democracy? Libertarian? Either way, to Freud, governments were dangerous business. I would suggest you to read Lacan, Politics, Aesthetics since it explains the politics from Lacan perspective.
