The staff at Beadles Land Rover Sidcup were good because They were polite and friendly. I was a bit confused after taking delivery of my vehicle that I was unable to find the handbook and didn't know whether it had been serviced or not also explanations about warranty etc.However I am satisfied with the attention I received and would definitely recommend them.

Land Rover manual and part catalogue Defender, Discovery ...

The Series II Land Rover launched in 1958 was larger, heavier and more complex than the original, there was an ever-present need for higher powered engines. Also, the Rover petrol engines in use at the time, with the archaic Inlet-Over-Exhaust valve layout and were approaching the age of 20 years in design terms. A new, larger petrol engine specifically developed for the Land Rover was needed.
