### M-CODE/ G-CODE LIST - Hwacheon Asia Pacific Pte. Ltd.

Miscellaneous Functions is another name for M-Codes. How are they different from the G-codes in my previous post? The G-code is a preparatory command for CNC programming, which presets, or prepares, the machine to use a certain cycle or mode. An M-code is an actual machine function. A machine function is something that the actual machine does, whether it ' s turning on the spindle or ending you...
