Expat Dating in Germany - chatting and dating - Front page DE

Around September of 2016 I wrote two articles on using Python for accessing, visualizing, and evaluating trading strategies (see part 1 and part 2). These have been my most popular posts, I published my article on learning programming languages (featuring my dad's story as a programmer), and has been translated into both Russian (which used to be on backtest.ru at that time) that now ...
