### **AP PHYSICS 1 Lesson Plans - mrs.porter-davispage**

Physics was one of the most fun classes I took, but in college it was tedious and boring. Part of my philosophy of education (which I share with my students at the beginning of the school year) is that I will do everything I can (within reason) to make the material interesting and fun to learn, but their responsibility is to learn the material whether I succeed or not in making it fun.
