**This is the newest class I have come across and it looks fabulous. I often have had people asking about how to learn patchwork and quilting. This video class goes through all the basics, from choosing fabric and cutting it, to laying out your blocks and sewing them together, then how to baste, quilt and finish your quilt.**

### **Home - Patchwork Passion**

**Learning how to patchwork is no different to how it was learned back in the 1800s when patchwork first came into vogue. And the basic tools have remained the same; needles, thread, pins, fabric, templates and a pair of scissors. Today there are lots of craft shops who offer patchwork lessons, or you might even think of taking a patchwork holiday.**
