School Library Journal

Library Journal is an American trade publication for librarians. It was founded in 1876 by Melvil Dewey (familiar as the inventor of the Dewey decimal system). It reports news about the library world, emphasizing public libraries, and offers feature articles about aspects of professional practice. It also reviews library-related materials and equipment.

Reviews - School Library Journal

In the 140 years since it was created, Library Journal has been inspired by the belief that libraries transform lives, at every stage of life.. We were there to help libraries in the United States begin organizing as a profession, and as the national and global network of libraries took their place in town squares, campus centers, and schools.
