The Game of Life is just what its name implies: a board game that takes players through the many life stages of working and having a family. The game itself has a long list of rules, but they can be easy to grasp. The ultimate objective is to "retire" from the game as the player with the most money in both ...*

*game of life junior instruction manual
The Game of Life, then called the Checkered Game of Life, was invented in 1860 by Milton Bradley. It was first first game he had printed and mass produced, and its quick popularity launched Bradley from his career as a lithographer to the world of game-making. 100 years later, the game was resurrected from the Milton Bradley company archives and reworked into a version closer to The Game of ...*
