*Modern psychology has had an immense effect on both literature and literary criticism. Sigmund Freud's psychoanalytic theories changed our notions of human behavior by exploring new or controversial areas like wish-fulfillment, sexuality, the unconscious, and repression.*

*Literary criticism in the 21st century : theory ...*

*Literary criticism (or literary studies) is the study, evaluation, and interpretation of literature. Modern literary criticism is often influenced by literary theory, which is the philosophical discussion of literature's goals and methods. Though the two activities are closely related, literary critics are not always, and have not always been, theorists.*
