Sole proprietorship. A sole proprietorship is easy to form and gives you complete control of your business. You're automatically considered to be a sole proprietorship if you do business activities but don't register as any other kind of business. Sole proprietorships do not produce a separate business entity.

What is an LLC or Limited Liability Company | How to Start ...

You 're an LLC with an existing EIN, and you want to be taxed as a corporation so that your reported income tax becomes a distribution of the corporation. Usually, LLCs tend to have pass-through taxation, which means that instead of filing a separate business tax return, profits and losses are reported on the individual 's personal tax return.
