***I believe this to be a common
sensation amongst mudlarks. I
wrote London in Fragments to
evoke this connection, between
found objects and the people who
lost them. As well as the personal
stories, I wanted each piece to
inspire a journey, of memory,
history or out into the world,
because, to me, the pieces I find are
a reminder that London has always
been a global city.***

and copper nails to rag shops, or might sell fragments of pipes or other objects to a collector who appeared on the river bank. If they found tools, they usually took these to seamen, who exchanged them for 'biscuit and meat'. Mayhew believed their average earnings to be 3d. a ...

London's history in mud: the woman collecting what the ... Mudlarks in the 18th and 19th centuries. Mudlarks would search the muddy shores of the River Thames at low tide for anything that could be sold; and sometimes, when occasion arose, pilfering from river traffic. By at least the late 18th century people dwelling near the river could scrape a subsistence living this way.
