Harriet's book Loom and Spindle (1898) portrayed the industrial town of Lowell in her childhood and youth as a time of great opportunity for mill girls, who learned the discipline of labor and gained broader ideas about the world from their experiences. The book continues to be read more than one hundred years after it was published.

Harriet Hanson Robinson went to work as a Lowell mill girl when she was 10 years old to help support her family. She grew up to earn fame, if not fortune. She started off writing the mill girls' magazine, The Lowell Offering, then wrote books and led the woman's rights movement. Harriet was able to [...]
