### Autumn by Ali Smith | A Little Blog of Books

Autumn shows us how to accommodate difference, to see across divides, where seeing is a full-bodied action, a moral commitment. As much as the contemporary moment feels like "the end of dialogue," Smith envisions a world where small conversations can be louder than the grand narratives offered up by the news media.

### Disrupting the calendar: Measuring the impacts of a week ...

Autumn is a 2016 novel by Scottish author Ali Smith, first published by Hamish Hamilton.It is projected to be the first of four seasonal 'state of the nation' works. Written rapidly after the United Kingdom's 2016 European Union membership referendum, it was widely regarded as the first 'post-Brexit novel' dealing with the issues raised by the voters' decision.
