One must be careful how they eliminate the other players. Eliminating all the town first means the mafia will win with the town lover losing. Eliminating all the scum first is suggested, but should the town lover just want the win immediately, they can rat the scum lover out. Proper play is for neither lover to screw the other over.

Contract killing is a form of murder in which one party hires another party (often called a hitman) to kill a
target individual or group of people. It involves an illegal agreement between two or more parties in which
one party agrees to kill the target in exchange for some form of payment, monetary or otherwise. Either party
may be a person, group, or an organization.***
