Maggie Get Your Gun (2000) About book: Much more action than the last book, and lucky for me - more simple(ton) humor :)All my favorites were still around, and there were some new critters to be found; ghosts, werewolves, and genies. Not to mention, werepires and vampwolves, but I can't say much about those. Killian was just as dorky as he was in the last book, maybe even a trifle more.

Lots of fun. And again, Maggie is just a regular kind of woman. She takes her punches and just keeps on going. She doesn't act like a superhero, or a magical superstar, she just does what she has to do in order to get the job done so that she can survive long enough to go home and kick back with her pillow or her TV.
