Distribution Overhead, Relationship with financial accounts, Marginal Costing and Decision Making, Budgetary Control.

Company Accounts, Cost and Management Accounting

This is a really terrible book, in my opinion. First of all, it is extremely messy and hard to follow. There are so many topics included in this book, which are fundamentally different from one another (costing theories, customer management, budgeting, etc.) that one can just split the contents into several independent books.

Management Accounting by Anthony A. Atkinson
