### Mandt Training Holds

The Mandt System® program presents an education and training system of gradual and graded alternatives for de-escalating and supporting people, using a combination of interpersonal communication skills and physical interaction techniques designed to reduce injury to all the participants in an encounter.

### Locks & Restraint Holds for School Teachers

The Mandt training is a three-part, three-day training. Day 1 covers Relational skills, Day 2 focuses on Conceptual skills, and Day 3 covers Technical (physical) skills. You must take the Mandt trainings in the numerical order listed: Day 1 and Day 2 should be taken as a block; Day 3 should be completed within 60 days of completing Day 2.
