*A true Yamaha classic the Yamaha SR-500 from CMC Motorcycles. We cannot remember the last time we had one of these available and it probably will be along time before we see another. This Yamaha SR-500 is as nice as they come in good and original condition with the exception of the headlight which does look larger than it should be.*

*These Yamaha's may not have had the low end response the Genie's had but man are they much more clear than the rest I listed. Most of the others have a very colored sound, mainly dipping the mids. The HS5's were the flattest of the bunch. it's worth the \$100 bucks more for these guys over the rest.*
