The average time it takes for a woman to jog a half-marathon is also dependent on the course. For example, it takes an average of 4 hours, 48 minutes for women to finish the Pike's Peak Ascent -- a 13.1-mile trek straight up Pike's Peak

in Colorado Springs. Flatter courses obviously yield faster times.

Marathon world record progression - Wikipedia History. The first Boston Marathon included only 15 runners, all of whom were men. Women were only officially allowed to run the race beginning in 1972, though female runners had unofficially participated beginning in 1966 despite the opposition of the Boston Athletic Association, the race sponsor. The Boston Marathon became the first major marathon to include a wheelchair division, in 1975.
