Marketing Warfare - SlideShare

Implementing marketing warfare strategies is the perfect addition to your overall marketing plans and can help to reshape your standing within an industry. Developed in 1986 by Al Ries and Jack Trout (considered two of the godfathers of marketing), the theory focuses less on customer-oriented campaigns and more on maximizing all areas of a business towards the goal of outshining others.

Marketing Warfare: How to Use Military Principles to ...

According to Trout and Ries, there are only four basic ways to conduct a marketing war (strategies): Defend, Attack, Flank Attack, and Guerilla Campaign. Step One in a marketing war is to determine your company's current position. This dictates the one and only appropriate marketing strategy. Each market can have only one leader, or dominant company.
