5.0 out of 5 stars It fits Master Cycle bike trailer. Reviewed in the United States on June 16, 2014. Verified Purchase. I used it for my Master Cycle bike trailer (which retailers around me had never heard of) and it worked just right. I bought the trailer used and it didn't come with the attachment, so I went on line and found this one.

Get on the bike. To properly get on your bike, face the motorcycle from the left side. Grab the left handlebar, and swing your right leg over the seat. Plant your feet firmly on the ground. The best way to get to know how a bike operates is to sit on it and go over the functions of the controls before starting it up.
