### Download Mastering the American Accent by Lisa Mojsin ...

You will learn to produce the standard American accent. Some people also call it “broad-caster English.” It’s the kind of standard, neutral speech that you hear on CNN and in educated circles. It’s a non-regional American accent, meaning that people do not associate the dialect with any particular part of the United States. It is the accent most commonly associated with educated people in the American East, Midwest, and West.
